- Students are expected to attend all of their scheduled Driving and Lecture Classes.
- Full refunds will only be given if requested before the first day of the start of the program. Text books are not refundable.
- For those needing to take the Road Test, students must: (1) have their permit for 6 months, (2) possess either a Pre-licensing Course Certificate (mv278), or a Course Completion Certificate (mv285) and (3) have compiled a total of 50 hours of supervised driving. This makes driving practice outside of the program both necessary and crucial for success. A parent or guardian must certify this completion on form mv262. (This can be found at the NYS DMV website. Completing the log is not necessary, only a Parent or Guardian signature is required).
- At the successful conclusion of the course students will receive an Insurance Letter and a Course Completion Certificate (mv285), with the ability to obtain a Senior License at the age of 17. This and the confidence and knowledge to be a safe and responsible driver!
