Mrs. Vicki Hertlein-Perez
Director of Personal Development Programs

Dear Parents of the Class of 2023:

Welcome to the next exciting chapter of your daughter's life: high school. At Ursuline, we are committed not only to educating your daughter through her academics, but also to providing programs that enrich and cultivate her best self, preparing her to succeed throughout these next four years and long after leaving our halls. It is my hope that many of the activities of our Personal Development department will do just that.

The transition to high school can be both wonderful and overwhelming for many students for a variety of reasons. To that end, we have instituted programs dedicated to help ease some of the anxiety associated with such a transition.

Each year, we begin with an off-site orientation day for the entire 9th grade. This provides an opportunity for both new and returning students to bond and get to know one another off-campus through fun and challenging activities. The day is led by the skilled staff at Camp Mariah in Fishkill, NY with assistance from our Peer Leaders, who will continue working with the 9th graders throughout the school year.

The off-site orientation will take place on **Wednesday, September 4**, and students must be at Ursuline by **7:30 a.m.** Please note this is a mandatory trip and is considered as important as the first day of school. Please see the attached sheet for additional information and **return the Permission Slip by mail to The Ursuline School, Attn: Camp Mariah, or email to Mrs. Hertlein-Perez at hertleiv@ursulinenewrochelle.org by Monday, June 24.**

Best wishes for a happy and safe summer.
