

## 2019-20 ACADEMIC YEAR

Our commitment to technology continues!

Bring your own Laptop/Tablet/Calculator Specifications Information

### Mac Laptops:

Minimum requirements - higher specifications at your discretion

- Macbook Air or Macbook Pro (we do not support iPads)
- Intel i5 Processor or higher
- 8 GB of RAM memory or higher
- 120 GB hard drive or higher
- Laptop bag or sleeve

### Microsoft Windows Laptops:

Minimum requirements - higher specifications at your discretion

- Intel i5 processor or higher
- 8 GB of RAM memory or higher
- 120 GB hard drive or higher
- Windows 10 Home or Pro
- Laptop bag or sleeve

### Calculators.

**Attention incoming 9th grade students:** All high school students are required to purchase a TI-Nspire CX Calculator. This will be for use in both math and science courses and is acceptable on all standardized tests.

### The Ursuline School software installations:

The following programs will be provided to students during the summer

- Microsoft Office 2016 or Office 365 for Microsoft Windows machines
- Microsoft Office 2016 or Office 365 For Mac Computers
- Symantec Enterprise edition antivirus software.
- Smart board Software, including Notebook 11
- Canon Print Software
- Chrome Browser

### IMPORTANT

**Installation of all this software must be completed during the summer, no exceptions.**

You will need to bring your machine to school and leave with us for at least 1 hour.

We will be available June 24 to August 1, 2019 (Closed July 4)

**Monday thru Thursday 9:00am - 1:30pm**

No appointment is necessary.

Please note that your daughter may be at a disadvantage during orientation if these programs are not installed.
